Love Notes

Brittany and a colleague traveled to Durham to help my bridesmaids and myself get ready for my wedding and it was perfect! The timeline estimate, their easy going, fun attitude, and the finished product were spot on. Highly recommend!

Elle

Brittany was the make-up artist and hair stylist for both me and my sister on our wedding days! The looks she created were absolutely flawless and perfectly in line with what we had hoped for. She was able to keep our huge bridal parties (12 & 15 bridesmaids) on schedule all while making us feel beautiful and confident for such an important day! I highly, highly recommend using her services. Not only is Brittany incredible talented with her work, but she is also fabulous to work with! She's kind, calm, fun, always professional, and super timely. We asked a lot of her on our wedding days and she delivered more than expected. Truly cannot recommend her enough!

Katie

I had the best experience with Brittany! She has such a calm energy and that was something that was very important to me on my on my wedding day. She was very professional and accommodating toward myself and my wedding party. She did my hair and makeup and I can't express enough how much I loved it all. She made me feel so beautiful! Hair and makeup is such a big decision and it's so nerve racking but with Brittany you can't go wrong!"
